

2024 TICKETING INFORMATION

PREMIERSHIP SEASON PASS

PASS ENTITLEMENTS

PREMIERSHIP SEASON PASS

The Premiership Season passes provide access to matches in which your Club is competing. These cards are transferable and may be provided to family and friends at your discretion.

As per previous seasons, Premiership Season passes will not provide access to Club Dressing Rooms. Club Dressing Rooms may only be accessed with AFL Accreditation, Player Pass or specific dressing room passes/wristbands (if applicable and permitted for matches).

Premiership Season passes may be upgraded to a reserved seat via the relevant ticketing company for guaranteed admission to a match (additional fees and charges will apply). Alternatively, where venues have general admission areas available the passes can be used to scan into the venue, subject to capacity.

Note: Premiership Passes may be used in conjunction with the Player Pass of a non-participating player to upgrade to reserved seating as a group so that you can all sit together.
